Holiday Order Specs

Before coming in to place your order, please have a photo picked out or a favorite saying ready. Please keep in mind that photos will print darker than the original on fabric, so if there are shadows on someone's face etc, that may be an issue. Digital photos/files are always welcome, and that order can be emailed to info@letsgetpersonal.biz. Include your name and day time phone number so we can call you for a credit card and any order clarifications.

Holiday orders are being accepted until December 22, with all pick-ups to take place by December 23. We will be closed on December 24 and 25th to allow our employees time with their families to celebrate the holiday.
